As the administrative team we want to be attentive to parents and student's needs. It is important that we are able to solve problems and propose solutions while spending quality time with families.

Parents are welcome to make appointments **after school [3-4pm]**, with administrators or **before the start of school [7:30-8:00am.]** Please do not just stop in because we cannot guarantee we will be able to see families during normal school hours.

If you would like to talk with an administrator, please call Nelly at 456-9344 and leave a message and an administrator will return your call by the **end of the day [3-5pm.]**

Thank you for your assistance in helping us help you.

Sincerely,

**NBMS Administration Team**
